INTERNATIONAL CERTIFICATIONS

**Atlas Surgical** is one of the oldest Government of India approved manufacture and exporter of medical device. With Over 60 years of experience in medical and surgical sector we have established a leading position in this field. All this has been a result of offering premium quality products coupled with competitive pricing and prompt customer service. Proof of our quality work and satisfactory service lies in the number of esteemed customers that have stayed long with us.

From past 30 years our company is dedicated to exports only, so the main focus is to cater to various demands of the international market. We understand the customer needs and demands keeping in mind all the cultural, economic and social environments.

We have all facilities under the same roof. For this reason, there is no extra or additional cost right from Raw Material to finished Product. Heavy Investment on Machinery, Infrastructure and latest Technology has always been the prime objective of the company. Our factory is equipped with the latest machines and has a technical expert team to follow up production right from Raw Material till Packaging, which ensures quality and in-time delivery for the customer. In continuation of the dream of our director **Puneet Narula**, we want to serve the humanity in the best possible manner. (We have a dedicated area of 25000 sq. ft. facility with 3600 sq. ft. clean room facility.)

All our in house process units strictly company not only with **NO CHILD LABOUR** Law but also environmental laws making us an environment friendly company (**GO GREEN**). Thus the quality & workmanship of our products reaches to our customer in a flawless condition.

Located in the northern part of the country, geographically we have accessed to all means of the transport. Dry Sea Ports and Airports are located within 10-15 km from our unit.

For us, quality and affordability has been the key words. With our mission to provide high quality product at most economical prices, we continue to serve the humanity in the best possible manner. One of our most important policies is to always stick to prompt Delivery schedules. We realize that if the goods are not shipped on time, its importance and need is greatly reduced.

We dutifully obey and follow our Dictum **“Fostering Growth by Earning Trust”** and serving the humanity with the right product at right price and at the right time.

- Global Expertise**

# CONTENTS

## Contenido

Page No.  
número de página

### 1. INFUSION & TRANSFUSION

This category includes essential products for intravenous fluid administration and blood transfusion, ensuring safe and effective delivery of fluids and blood components in medical settings.

- IV Cannula, Disposable Syringe, Infusion sets, Blood Transfusion set, Blood Donor sets & much more.

1

### 2. ANESTHESIA & RESPIRATORY

Anesthesia & Respiratory products play a crucial role in airway management and respiratory support during medical procedures, ensuring patient comfort and safety.

- Endotracheal Tube Cuffed & Plain, Epidural Needle, Resuscitator Silicone / Ambu Type Bag, Face Mask, Rebreathing Bags, Suction Catheter Plain / Thumb Control, Nasal Oxygen Cannula & much more.

2-3

### 3. UROLOGY

Urology products are designed for urinary system care and management, aiding in catheterization, urine collection, and related procedures.

- Foley Catheter (Latex & Silicone), Urine Collection Bag, Infant Mucus Extractor, TUR Set & much more.

4

### 4. GASTROENTEROLOGY

Gastroenterology products serve the diagnostic and therapeutic needs of the gastrointestinal system, enabling procedures such as feeding, endoscopy, and stoma care.

- Stomach tube, Infant Feeding tube, Nasogastric tube, Colostomy Kit, Umbilical Catheter & much more.

5-A

### 5. CENTRAL VENOUS ACCESS CATHETER & CARDIOLOGY

Cardiology & Central Venous products are tailored to meet the demands of cardiac procedures and central venous access, providing advanced tools for diagnosis and treatment

- Coronary stent system, Central Venous Catheter Kit, Blood tubing Set, PTCA Balloon Catheter, Peritoneal Transfusion Dialysis Kit, etc.

5-B

### 4. SURGERY

Surgery products in this category are indispensable for surgical interventions, facilitating wound care, fluid drainage, and suction as part of surgical procedures.

- Close wound Suction Unit, Chest Drainage Catheter, Yankauer Suction Set, Spinal Needle, Surgical (Gloves/Spinal/Exam/Gynae) High-Pressure Vacuum Drainage Bottle & much more.

6

### 7. Hospital Apparels & Surgical Kits

This category offers a wide range of surgical kits and hospital apparel, ensuring sterile environments, protection, and draping for surgical procedures.

- Surgical Gowns, Face Mask, Headwear & Footwear, Protective Apparel, Equipment Covers & General Drapes, Protection Apparel Set, Kidney & Liver Transplant Drape Sheet, T.U.R.P Sheet, Lower Limb Drape Pack, PPE Kit, ENT Kit, Surgeon Kit & much more

7-8

### 8. TAPES & DRESSING

Tapes & Dressing products include essential items for wound care, dressings, and fixation, supporting the healing process and patient comfort.

- Gauze Swab, Abdominal Gauze, Crepe Bandage, P.O.P Bandage, Microporous Tape, Absorbent Cotton, IV Cannula Fixator & much more.

9

### 9. BLADES

Blades are precision instruments used in surgical procedures, providing efficient cutting and suturing for various medical applications.

- Surgical Blades, Skin Stapler, Stapler Remover, Skin Grafting Blade, Stitch Cutter, Ophthalmic Blades & much more.

10

### 10. BLOOD MANAGEMENT

Blood Management products play a key role in the collection, processing, and storage of blood components, ensuring safe blood transfusion and medical testing.

- Blood Donor Sets, Blood Lancets, Blood Collection Tube, Blood Bag, Blood Collection Needle, & much more.

11

### 11. SURGICAL SUTURES

Surgical Sutures are vital for wound closure and tissue repair, offering a variety of materials and types to meet different surgical needs.

- Polyglycolic Acid, Polydioxanone, Plain Catgut, Black Braided Silk Suture, Virgin Silk Suture, Polyester Suture, Absorbable Sutures & Non-Absorbable Sutures, Polypropylene Mesh, Bone Wax & much more..

**Fiberglass Synthetic Casting Tape**  
Fibra de vidrio sintética Cinta de fundición  
ASDR,7690

Fiberglass Synthetic Casting Tape
Available Sizes
2inchx3.6mtr.
3inchx3.6mtr.
4inchx3.6mtr.
5inchx3.6mtr.
6inchx3.6mtr.

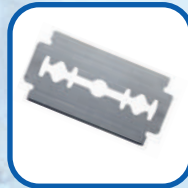

**Zinc oxide plaster**  
Yeso de óxido de zinc  
ASDR,7440

Zinc oxide plaster
Available Sizes
5 cm x 5mtr.
7.5 cm x 5mtr.
10 cm x 5mtr.
15 cm x 5mtr.
20 cm x 5mtr. (Customize)

**BLADES**  
Cuchillas

**Disposable Surgical Blades**  
Desechable cuchillas quirúrgicas  
ASBP.5700

**Disposable Razor Blade**  
Disponible Razor Blade  
ASBP.5750

**Stitch cutter**  
Cortador de puntadas  
ASBP.5715

**Scalpel Handle With Blade**  
Mango De Bisturí Con Hoja  
ASBP.5710

**Stapler Remover**  
Removedor de la grapadora  
ASBP.5770

**Skin Stapler**  
Grapadora de piel  
ASBP.5760

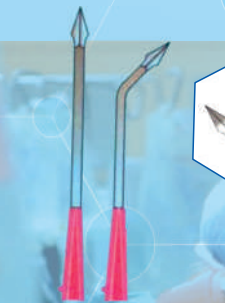

**Skin Grafting Blade**  
Hoja de injerto de piel  
ASBP.5740

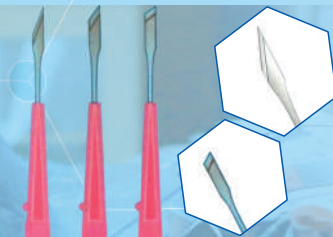

**Skin Grafting Handle**  
Mango de injerto de piel  
ASBP.5730

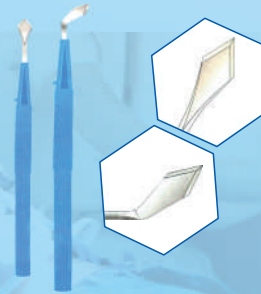

**OPHTHALMIC BLADES**  
Cuchillas Oftálmicas

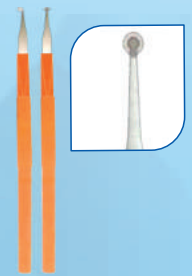

**Mvr blades for water tight Self sealing incision**  
Cuchillas mvr para estanqueidad al agua Incisión autosellante  
ASBP.5830

**Lance tip blades For initial incision**  
Hojas de punta de lanza Para la incisión inicial  
ASBP.5810

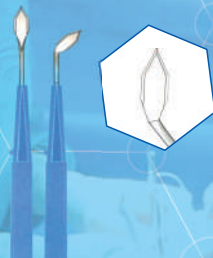

**Keratome / slit blades (sharp tip) for phaco stab incision**  
Querátomo/hojas de hendidura (punta afilada) para incisión de facoemulsificación  
ASBP.5780

**Spoon blades for scleral tunnel incision**  
Hojas de cuchara para incisión del túnel escleral  
ASBP.5840

**Miniature blades for general Surgery of ophthalmology**  
Cuchillas en miniatura para uso general Cirugía de oftalmología  
ASBP.5850

**Clear corneal blades for Clear corneal incision**  
Cuchillas transparentes para córnea Incisión corneal clara  
ASBP.5820

**Crescent blades for groove or Pocket for tunnel incision**  
Cuchillas de media luna para ranura o Bolsillo para incisión de túnel  
ASBP.5800

**Keratome / slit blades (blunt tip) For iol enlarging**  
Querátomo / cuchillas de hendidura (punta roma) Para la ampliación de iol  
ASBP.5790

**Ophthalmic Knife**  
Cuchillo oftálmico  
ASBP.5720

**BLOOD MANAGEMENT**  
Manejo de sangre

**VACCUM TUBE/NON VACCUM TUBE**

**TUBO DE VACÍO/TUBO SIN VACÍO**

Product Code  
Código de producto

Product Name

- ASBM.3500 ● Plain Urine Tube Tube
- ASBM.3510 ● Blood Clot Activator Tube
- ASBM.3520 ● Sodium Fluoride Tube
- ASBM.3540 ● K2EDTA Tube
- ASBM.3550 ● K3EDTA Tube
- ASBM.3560 ● Urine Analysis Tube
- ASBM.3570 ● Sodium Citrate 3.2% Tube
- ASBM.3580 ● Sodium Citrate 3.8%
- ASBM.3590 ● Lithium Heparin Tube
- ASBM.3600 ● Sodium Heparin Tube

- Tubo de orina simple
- Tubo activador de coágulos sanguíneos
- Tubo de fluoruro de sodio
- Tubo K2EDTA
- Tubo K3EDTA
- Tubo de análisis de orina
- Tubo de citrato de sodio al 3,2%
- Citrato de sodio 3,8%
- Tubo de heparina de litio
- Tubo de heparina sódica

**Blood Donor Sets**  
Conjuntos de donantes de sangre  
ASTP.5315

**Blood Transfusion Sets**  
Equipos de transfusión de sangre  
ASTP.5310

**Sharp Container Plastic**  
Contenedor afilado El plastico  
ASEP.4370

**Blood Collection Tube-needle**  
tubo-aguja de extracción de sangre  
ASBM3610N

**BLOOD COLLECTION TUBE-HOLDER**  
soporte para tubos de extracción de sangre  
ASBM3620H

**Blood Lancets**  
Lancetas de sangre  
ASBM.3680

**Safety Box**  
Caja de seguridad  
ASEP.4368

**Single Blood Bag**  
Bolsa de sangre única  
ASBM.3640

**Triple Blood Bag**  
Bolsa de sangre triple  
ASBM.3650

**Quadruple Blood Bag**  
Bolsa de sangre cuádruple  
ASBM.3655

**Quintuple Blood Bag with  
Inline leukodepletion Filter**  
Bolsa de Sangre Quintuple con  
Filtro de leucodepleción en línea  
ASBM.3665

**Double Blood Bag**  
Bolsa de sangre doble  
ASBM.3645

**ACD Bag**  
Bolsa ACD  
ASBM.3660

## SURGICAL SUTURES - ABSORBABLE

Suturas Quirúrgicas - Absorbibles

**Polyglycolic Acid**  
Ácido poliglicólico  
ASSL.1900

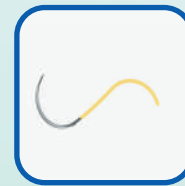

**Polyglactin 910**  
Poliglactina 910  
ASSL.1910

**Poliglecaprone 25**  
Poliglecaprona 25  
ASSL.1920

**Polydioxanone**  
Polidioxanona  
ASSL.1930

**Plain Catgut**  
Catgut Llano  
ASSL.1940

**Chromic catgut**  
Catgut crómico  
ASSL.1950

## SURGICAL SUTURE - NON-ABSORBABLE

Sutura quirúrgica / NO absorbible

**Polypropylene Sutures**  
Suturas de polipropileno  
ASSL.1960

**Black Braided Silk Suture**  
Sutura De Seda  
Trenzada Negra  
ASSL.1970

**Virgin Silk Suture**  
Sutura de seda virgen  
ASSL.1980

**Polyester Suture**  
Sutura de poliéster  
ASSL.1990

**Polyamide / Nylon Suture**  
Sutura Poliamida / Nylon  
ASSL.2000

**(SURGICAL STAINLESS STEEL) SUTURE**  
(acero inoxidable quirúrgico) sutura  
ASSL.2010

### POLYPROPYLENE MESH

Malla de polipropileno

ASSL.2020

### Bone Wax

Cera de huesos

ASSL.2030
